To: **All Pastors, Pathfinder Directors and Members**

Greetings in Christ!

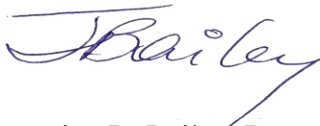

Welcome to another year of service in the Youth Ministries Department, at this time in our history. We are on the periphery of our Lord's return, and it is a huge task and equally a great honour to serve. We solicit your prayers and support as we work together for the continued growth and development of our young people. We continue to find new and innovative ways to plan, win, travel, and commission our youth for service.

From its earliest days, the Seventh-day Adventist Church has grown and flourished because of the dedication and missionary zeal of its youths. Many of the Church's pioneers were young people at its founding, and youth have shouldered responsibilities ever since. It is my hope that such dedication and missionary zeal will be further realized as we embark on the mission for 2025 "**Holy Spirit Transformation for End-Time Proclamation.**"

Thanks to our committed and dedicated youth leaders for their services given to the thousands of young people across the Conference territory. May God continue to bless them and their families along their future endeavors.

We look forward to a spiritually enriching and life changing experience throughout the year. Please utilize the ACTION PLAN to your advantage. May God continually bless all your efforts.

Yours in the Master's Service,

**Why should my church have a Pathfinder Club?**

The Pathfinder Organization provides training and mentorship for this new generation of youth. Pathfinding is a world-wide movement of young people sponsored by the Seventh-day Adventist Church, and is extended to youth of other denominations and non-Christians alike. The most important goal of the Pathfinder Ministry is to lead young people into a relationship with Jesus Christ.

**How does the Pathfinder Club keep young people focused?**

The Pathfinder programme provides focused members with spiritual instruction, along with an opportunity for mental, physical, and social education, helping each member live a balanced life in all areas, just as Jesus did. “An entire sea of water can’t sink a ship unless it gets inside the ship. Similarly, the negativity of the world can’t put you down unless you allow it to get inside of you.”  
- Goi Nasu.

## **PROGRAMMES, ACTIONS AND PLANS**

### **QUICK START GUIDE**

- a. Build support from your church
- b. Assemble a leadership team
- c. Grow your leadership skills
- d. Plan a yearly schedule of activities
- e. Recruit Pathfinders
- f. Register your Club with the Local Conference

**OPERATION CRADLE** continues in 2024. Every youth who is a new believer should be encouraged to join the Pathfinder Club.

### **BACKGROUND**

Each time a parent takes a child to the Seventh-day Adventist Church to be dedicated, it is an opportunity for ministry. One however, that we often do not properly utilize.

The mother, and especially the child, goes home without any organized method of keeping in touch. Operation Cradle sees each baby taken to be dedicated as a future Adventurer, Pathfinder, and Church Member. It is a long term investment that the church must make now! The driving philosophy is that early and consistent contact will bring forth much fruit, with “staying power”.

### **AIM**

Operation Cradle aims to present an organized and coordinated system of nurture for each baby dedicated at the church by:

- a. Providing an important avenue for junior youth and children evangelism.
- b. Adding to the rich menu of programmes offered by our Adventurer and Pathfinder Clubs.
- c. Teaching our children the rudiments of visitation and mission

### **KEY PLAYERS**

- a. Church Pastor
- b. Church Clerk
- c. Adventurer Club Leader, and/or Pathfinder Club Leader
- d. Children’s Ministries Leader

### **PROCESS**

When a parent/guardian contacts the church requesting a baby to be dedicated, the clerk will confer with Pastor/Elder and the following procedure followed:

- a. The clerk will notify the Adventurer Club Director. Where there is no Adventurer Club, the Pathfinder Club will be notified. If there is neither Adventurer nor Pathfinder Club, the Children’s Ministries Department should be contacted.

- b. After the dedication ceremony is done the Pastor will introduce the Club Director or Children's Ministries Leader, as the main liaison between church and child.
- c. The Club Director or Children's Ministries Leader will develop a database of all babies blessed at the local church. This will include address, telephone contact, email and any other relevant information.
- d. Regular monthly visits will be made to the home of the child by leader or designee and club member(s), or the Children's Ministries Director and her team.
- e. Visits should involve singing, scripture reading, and prayer. Prayer must not be long, and parents must have prior knowledge of the visit.
- f. Needs assessment can be done and where appropriate; diapers, canned foods, clothing etc. may be donated.
- g. Have special Anniversary Services at church where parents and family members are invited.
- h. Utilize Adventurer Days, Pathfinder Days, and Children's Ministries dates as special events to have all babies dedicated at the church to be back.

#### **RESULT EXPECTED**

- a. Trusting relationship developed between church and non-Adventist parents.
- b. Children may be allowed to attend church, and club meetings under the care of trusted members.
- c. Higher level of children baptism

1. **DIRECTORS' MEETING** - All Parish Pathfinder Secretaries are expected to conduct monthly Pathfinder Directors' meeting at the parish level. Directors and Deputy Directors of the churches in the parish are expected to attend. At this meeting Conference Pathfinder programmes are discussed and adopted for implementation. Answers and solutions to questions and problems that the directors face in the churches are advanced. This monthly meeting fosters a spirit of integration and camaraderie. It should be chaired by the Pathfinder Parish Secretary and held at a convenient time and place. Being a Club Director qualifies you to attend Church board meetings, A.Y. Council meetings, district, and parish Federation general meetings.
2. **A.Y. COUNCIL MEETING** - The Pathfinder Secretary for the parish must attend the monthly meeting of A.Y. Leaders, held by the Federation Executive. The Pathfinder Directors' Meeting is not autonomous to the Federation. All plans and programmes of the Pathfinder committee must first be discussed and voted at the parish Federation Executive and A.Y. Leaders Council meeting before implementation. Pathfinder programmes initiated without the proper approval of the Federation Executive and A.Y. Council is considered illegal and must be discontinued. Where possible, Pathfinder and Adventurer meetings should be facilitated by Federations.
3. **CLUB REGISTRATION** - All Pathfinder Clubs that are functional in the Conference must complete the registration form and submit to the Conference by March 31, 2024. Only registered clubs will be recognized by the Youth Department for any courtesy. Clubs that are organized after February should complete and submit the forms as early as possible.

He/She functions as a resource person and must ensure that a club is functional in all the churches

**6. INVESTITURE - Pathfinder Pre-test Committee must ensure that all the requirements on the**

cards are completed by the candidates. The Pre-test Committee which passes candidates who have not completed the requirements will be dissolved. It is not recommended that members of a Pre-test Committee administer a pre-test to their own candidates for investiture. Investiture Services will be organized in the months of July, August and September. A profile sheet signed by the duly constituted authority must be presented to the Conference prior to investiture.

Investiture Services are planned by the Parish Federation in conjunction with the Conference Youth Ministries Department.

**N.B.** - The Youth Director of the Conference must grant approval for the wearing of the bar.

## **HONOR PATCHES**

Honor patches must only be worn by individuals who have satisfactorily completed the required course of study in the given area. This means that where applicable, all practical areas are to be satisfactorily completed. Adequate time must be given when teaching honors, to ensure that the candidates master the subjects and are able to demonstrate the requisite skills if called upon to do so. Pathfinding is a Skill Training Programme. Patches are not worn therefore for the sake of decoration, but in recognition of completing and mastering the particular skills.

### **SPECIAL FOCUS ON UNIFORM**

Uniforms, insignias and accessories in the Adventurer, Pathfinder, Master Guide and Senior Youth Leadership programmes are not worn as an end in themselves or for the purpose of mere parading. They are instead worn as an expression of achievement and competence and should empower those who wear them to be humble servants of the people. All Adventurers, Pathfinders, Master Guides, and Senior Youth are Mission Workers. Whenever the uniform is worn, it should symbolize the joys of service in this life and the higher joys of greater service in the life to come.

**N.B** - The uniform is not decoration!

### **HONOR EXAMINERS**

Honor Examiners will be selected to administer final examinations and have individuals properly assessed. The examiners will make recommendations to the Conference Youth Director, who will then grant approval for the honors to be presented to the individuals. This means that where necessary, he may require an examination of the course work of the candidate. All persons completing honours must have an **Honor Notebook**. Only the Youth Director of the Conference can declare honor patches to individuals. Examiners can only make recommendations.

Pathfinder Directors and Instructors cannot teach, examine or declare themselves qualified for honors. This must be done through an external examination procedure. An individual must not wear more than one honor patch of its kind. Wearing of duplicate patches is not permissible.

**N.B.** - All the uniform groups are expected to have notebooks for all areas of work completed. Pre-test committees must examine notebooks.

### **PATHFINDER EXHIBITION**

The Pathfinder Programme has numerous practical areas. As a result, each club is expected to participate in an Annual Pathfinder Exhibition, where the practical work of each pathfinder will be exhibited. This exhibition will have many positive benefits for the Pathfinder Programmes, the Pathfinder Club and the Pathfinders, for Pathfinder Convention. Each Pathfinder Club needs to bear this in mind. The Annual Youth Rally will be the major exhibition opportunity.

**N.B.** - The West Jamaica Conference is the **ONLY** source from which honors/insignias can be purchased legally. The signed prescribed documents must be presented before purchases can be effected.

### **INSURANCE**

The church has provided an insurance plan for our groups who at various times are involved in excursions, trips, sporting events and regular club programmes that may require assistance in case of accidents. Please make sure that your children are insured under the Risk Management

Programme. Insurance is for the period April 1 to March 31 of any given year. Excursions are not to be allowed without insurance.
